

FTC Japan Scrimmage

Sumida STEAM Fes 2025

Event Date: January 11, 2026

Draft Version: September 1, 2025

Hosts: NPO SAKURA Tempesta & iU HubLab

Sumida STEAM Fes Event Overview

- **Date & Time:** Sunday, January 11, 2026 (Saturday, January 10 is the setup day)
- **Venue:** iU — Professional University of Information and Management for Innovation, Sumida Campus
- **Hosts:** NPO SAKURA Tempesta & iU HubLab
- **Main Objectives of Sumida STEAM Fes**
 - Raise awareness: Let visitors experience the appeal of FIRST and STEAM.
 - Support new entrants: Provide consultation and information for launching new school/community teams.
 - Strengthen through practice: Improve the competitiveness of domestic teams via a pre-event and交流 (networking).
 - Connect to the world: Offer international experience through English presentations and interaction with overseas stakeholders.
 - Grow through industry–government–academia collaboration: Work with municipalities, companies, and universities to create a Sumida-origin model for entering the FIRST Tech Challenge (FTC).
- **Contents of the Sumida STEAM Fes**
 - Practice matches for the FIRST Tech Challenge 2025–2026 season
 - Exhibitions by FIRST LEGO League (FLL), FIRST Tech Challenge (FTC) and other robotics teams, plus participating companies
 - STEAM workshops for children
- **Target Audience (Attendance Goal: 500)**
 - Teachers and middle/high-school students considering participation in FIRST Tech Challenge
 - Children interested in STEAM or international exchange, and their guardians (elementary to high-school)
